Process & Decision Documentation

Side Quests and A4 (Individual Work)

Keep this section brief, typically 2 to 4 sentences.

No GenAI was used for Side Quest 1

Focus on:

- One significant decision or change you made
- Why you made it
- What effect it had on the work

I focused on learning how to upload the GitHub document during class. I ran into some issues with connecting my folder from Visual Studio to GitHub this was resolved by recreating my respiratory upload with the guidance of the TA's.

Examples:

- Simplifying a mechanic so it functioned correctly
- Changing an approach after something failed
- Deciding not to pursue an idea due to time or technical limitations

You are not expected to document every alternative or iteration
